

Chalet Le Mousqueton

5* chalet near pistes - hot tub, sauna, summer swim spa

Watch the Transval pass overhead at this fabulous piste-side chalet in La Clusaz

About Chalet Le Mousqueton ...

This three-storey detached chalet for 14 (max 10 adults on a five star basis) is popular with winter sports enthusiasts, as it is close to the lift. In fact, it's so close that the Transval lift passes over the garden!

The owners have recently installed a new outdoor swimming area with decking and views across l'Etale mountain. It comprises a pool with built-in swim jet (think treadmill for swimming!) and a six seater jacuzzi. The pool is available from beginning of May to the end of October and the jacuzzi all year round.

Totally renovated, this stunning six-bedroom chalet less than 3 km from the centre of La Clusaz has all new furniture and a funky bright decor that will appeal particularly to family groups - although we're sure the huge games and entertainment room with TV, pool table, air hockey and table tennis will be a hit with the adults too!

It's a short drive to the centre of La Clusaz, or you can take the ski bus, which stops less than 100m away. The village has a great choice of bars and restaurants, as well as a supermarket. There is also a smaller supermarket, a boulangerie and a couple of bars and restaurants in Merdassier, plus bars and restaurants within a 500m walk of the chalet.

The property is perfect for families or for groups of athletes looking to take advantage of the ample mountain skiing, running and cycling opportunities together with an all-over swim workout. Triathletes, look no further...!
